Hosting organisation and project description

The "Aktions- und Zirkusbüro" **develops and creates circus pedagogical offers**, participation projects and various cultural events on the big area in the Otto-Dullenkopf-Park which is situated at the southeastern part of the city Karlsruhe. The "Aktions- und Zirkusbüro" is part of the "Stadtjugendausschuss e.V." which is an umbrella association for children and youth organizations in Karlsruhe.

On the site of the "Aktions- und Zirkusbüro" a lot of possibilities are offered. Children and youngsters with or without special needs as well as educated athletes, musicians or artists are invited to **present and train within the topics of sports, arts or culture**.

Big and small circus tents, different site caravans and containers are part of the circus area. At the moment the site is in construction and the big office building and about 300 m² inside training area will be finished in spring 2023. **An area for parcours, dirtbiketrails and a beach volley court, a fireplace, patches, a clay oven, a play yard** – all these infrastructures are parts of the space. The area offers many possibilities for projects and events for various ages.

Children and youngsters can bring in their own ideas, follow their interests and have the possibility to co-determine what happens in the park. The concept is changeable and can be adapted to the current necessities. **The ideas and the knowledge of the children and youth is an essential part of the planing for the future**, they are involved in all steps.

A big and important part of the work of the "Aktions- und Zirkusbüro" is the **circus "Maccaroni"**. It's a circus created by children and youngsters from Karlsruhe. Fixed training groups for children, youngsters and young grown-ups are besides organizing offers for everybody: **workshops, projects with schools and social organizations, holiday programs, performances, festivals and conventions**. Within the trainings all circus disciplines are involved and implemented: juggling, aerial art, acrobatics, balance, fire juggling, Chinese mast and clownery.

A European Volunteer will have the possibility to get to know all fields of activities of the "Aktions- und Zirkusbüro". He*she will support the circus pedagogical offers for children and youth and can depending to his*her interests and experiences develop and realize own projects. The volunteer will work 32 hours per week, including evenings and/or weekends. **After some basic education in circus skills, the volunteer soon will be part of the trainer team and teach children in circus disciplines, basic level in German is an advantage and a high motivation to learn the language is expected. The participation in one of our youth/adult trainings is obligatory with the aim of learning German in an informal way as getting to know the circus people.**

Coordinating organisation

The Kreisjugendwerk (KJW) of the AWO Karlsruhe-Stadt is the nonprofit childrens' and youth's department of the AWO (Arbeiterwohlfahrt). As independent organization, the KJW organizes leisure activities for children and young people between the ages of 6 and 20, extracurricular education and workshops, as well as intercultural encounters and projects for young people and young adults between 15 and 27.

Our work focuses on participation and personal development, and our activities are also deliberately offered to children and young people from socially disadvantaged backgrounds and to young people with a migration background. Besides coordinating the voluntary service, we are organizing a lot of camps and holidays for young people in Germany and abroad.

About the arrangements and the extra activities

Training and language course during the project:

The ESC volunteer will participate in an On-Arrival and Midterm-Seminar. He*She has the opportunity to participate in a 4-week German language course.

Living Culture

The coordinating organization, together with all European volunteers, organizing an intercultural series of events. As a volunteer you will think about organizing an intercultural event connected to inclusion and exchange topics, such as presenting your home country, or doing cooking or sport activities together, and much more.

Accommodation

The volunteer will be accommodated in a house with six more ESC volunteers. The volunteers share kitchen, bathroom and a common room. There's no own sleeping room for everybody but we have a rotating system so that everybody can have his/her own room for some time. Besides there's also a room where guests can be accommodated.

The volunteer gets a card for the public transport, so he/she can travel with the tram, train and bus for free.
